Records of the Various Teams in Total of Points Scored.

No scores by opponents is a record thus far in the foot ball campaign not confined to big teams. New York University, coached by Bob Olcott, the former Yale fullbacks, Coy and Field. center, has a clean slate for the two games the eleven has played, while Franklin and Marshall has not been scored on in its three conflicts. Other Lafayette, Michlean and Minnesota, Of in her last two games has boosted Colan average of nearly nine touchdowns a game. Colgate plays Yale next Saturday, and the scoring record of the former has caused the Yalensians to take notice. Princeton is watching Lafayette too. The latter has a better record than the Tigers, but hasn't met teams of equal , caliber. Bob Folwell is coaching Lafayette. Another Pennsylvanian, Dickson, is coaching Lehigh, and it will be Greek

against Greek when Lafayette and Linigh come together. The Army and Navy respective totals are much alike for the three games each has played. West Point has 39 points to the midshipmen's 34, and has been scored on for 23 points, as against 20 by the Navy's opponents.

The Indians' totals indicate scoring ability out of proportion to the defence. With the biggest total of all, 160 points, the red men nevertheless have been scored on in three of their six games, four touchdowns being represented in the 25 points made by opponents. Harvard and Pennsylvania each have been scored on once via the touchdown method, while two different teams have crossed Prince.

CAMBRIDGE, Mass., October 20.-The Harvard varsity had stiff foot ball practice yesterday afternoon and in secret The play was rough, so much so that Corbett, star of the Crimson backfield, was carried off the gridiron before the scrimmage was half over. He strained a tendon in one of his legs, and will be out of the line-up for a fortnight at least The line showed the result of their coaching Monday, fought every inch of the second team's advance and held their backs easily. The varsity lined up the same place when he was injured. Minot's line work were the features. The former scored two of the varsity's three touchdowns, and assisted materially in scoring the third. P. Withington opened the scrimmage, punting to the "subs" on their 30-yard line. The varsity then obtained the ball by smashing a fake quarterback play. Minot tried out one of his favorite stunts, the onside kick, and got 20 yards O'Flaherty again called on the big fullback and pushed him through left tackle for 8 yards more. From there the giant was sent over for the first touchdown O'Flaherty, timing Sprague's kick-off accurately, went down the field in the wake of the interference of Long for 65 yards. A forward pass to Gil Brown netted the varsity another substantial gain. Minot was called upon again, and dug through center for the second touchdown. Withington made the final tally. Breaking through tackle he blocked one of Sprague's low driving punts on the "subs" 25-yard line, recovered the ball and went behind the goal posts in record

PRINCETON, N. J., October 20 .- University Field was open during foot ball practice yesterday afternoon for the first time in a week, and a large crowd of undergraduates watched the efforts of the squad from the bleachers. The work was of a brisk nature, due to the cold weather, and the scrub line and backfield put up a hard fight against the varsity. Two touchdowns were made by the varsity, however-one by Hart and the other by Cunningham. The scrimmage consisted of two fifteen-minute halves, and the original backfield consisted of Hart, Sharks and Woodle. The latter has just recov ered from an injury to an ankle, and was not much used, Cunningham soon taking his place. Bergen again ran the team all afternoon and satisfied the coaches with his showing. A number of the regulars, including Welch, McCrohan, Read and Dawson, rested. The coaches are pursuing the policy of not overworking the men this season, as it is thought that that was one of the chief faults last year. Two new men who have been showing

fine form with the scrubs were put in the varsity line for a try-out. These are Musser and Norman. The question of ends is still an open one, and so far about twenty-seven can-

didates have been tried in this position. Devito went in yesterday for the first time and made some sensational tackles. Ballin of last year's base ball team was placed in Welch's position during the latter's absence and may be tried on the other side. Walter C. Booth, 1900, of the graduate advisory committee was on hand and spent his time looking over the

NEW HAVEN, October 20 .- Few of the Yale regulars were in the line-up yesterday, although all except Andrus were in uniform and took some exercise in the way of a jog around the side lines. Hobbs was at left tackle for the signal drill, but dropped out when the scrimmage began. Andrus has been at his home in Yonkers since the West Point game, but will be here today. Slight injuries sent Lilley, right tackle, and Hyde, substitute center, to the side lines during the practice, but they will report

today. The coaches ordered a thirty-minute half, and Coy's forward passes to Vaughn netted three touchdowns, Coy shooting

Twice Coycaught the ball on punts, and, eluding all tacklers, ran seventy yards or more for touchdowns. He supplemented this by kicking a goal from the field while standing on the 20-yard line, after the regulars had been held for three downs, while in the closing play of the afternoon he missed kicking a field goal from the 40-yard line by a few inches.

*** of the Prep regular eleven will be per-mitted to take part in the class games. This will prevent most of the stars of the institution from playing and hence the contests will not only be more evenly waged, but they will also be more fruitful in regard to bringing forth material for future Prep elevens. The rule not only forbids the playing of the reg-

ulars, but it also names those who are considered ineligible, thus making any

confusion impossible. Contrary to the first arrangement, the Prep series will all take place on a week day, most of them Mondays. The captains of the different elevens are in-structed to form their line-ups without delay and to hold enough preliminary practice to insure the games being well played. It is expected that most of the leaders will be chosen today, in which case some of the teams will probably get to training tomorrow afternoon.

Billiard Players Have Chance to Meet for a Large Purse.

NEW YORK, October 20. - Maurice Daly, chairman of the recently organized New York Room Keepers' Association, announced yesterday that a big billiard tournament to revive the world's championship at 18-inch balk line, two shots in, would be held in the concert hall at Madison Square Garden November 22 out, and following days. The entrance fee

will be \$100, and entries will be limited to six players. The games will be at 500 points, and the tournament will be conducted under the rules at present governing this style of play. Prize money to the amount of \$5,000, together with the entrance fees and ne gate receipts, will be divided among the players on the basis of 40 per cent to the winner, 30 per cent to the second, 20

which he will hold subject to challenge as heretofore. Entries will close October 27, and should be made to Maurice Daly. Slos-France, are expected to take part.
